Supporting What God is Doing in Central Russia

One of the Missions we regularly support has been the "Works of Faith" Churches in one of the poorer republics of Russia, Udmurtia. Their church's name is based on James 2:14-26

The mother church is in Izhevsk, a city of about 700,000. They have ministries to orphans, and recovery ministries to alcoholics. And amazingly God has used them to raise up new pastors and start 200 village churches.

There are about 10,000 villages in Russia that have never had a church of any kind, ever.

If very serious economic times were to come upon our nation in the next year, what should you do to prepare?

Wise answers include...

- Spend hours over the next months asking God's guidance.
- Each family build up a \$1000 "emergency fund."
- Pay off all credit card debt.
- Get rid of any vehicle debt - pay it off or downsize.
- Develop and maintain healthy relationships with friends and relatives.
- Be the kind of worker your boss wants to keep.
- Ask wise people what to do.
