

# **PROFITABLE BUSINESS OPPORTUNITY INFLATABLE BOUNCE HOUSES, MOONWALKS, SLIDES, AND WATER GAMES!**

**Easily make \$25 to \$45 per hour renting inflatable games and bouncers. They have been ranked the top 10 most profitable business ventures in the United States. To make money, all you need to do is take orders over the telephone or website during the week and setup your units on the weekend! Jump houses can be purchased online at bargain prices and rented to provide hours of jumping fun for children!**

**Great for birthday parties, family reunions, fund-raising events, and corporate gatherings and promotions!**

**Set your rental rates comparable with rates in your local community – based on the size of the units!**

**This startup information packet includes contact information on where to locate inflatable units (including complete telephone number, addresses, email, website and fax numbers), marketing and business planning guide, online ordering and pricing index, payment and shipping options, setup and take-down procedures, safety and insurance requirements, rental contracts and forms, and a source list for ordering optional accessory items - electric blowers, ground stakes, storage bags, etc).**
